## WORK EXPERIENCE

### **Web Designer, Directory One - Houston, TX 11/2013 - Present**

Responsibilities include graphic design for Directory One and website design for multiple clients, beginning with the initial website mock-up and working through the finalized live product by using Adobe Creative Suite (Photoshop, Dreamweaver) and knowledge of HTML and CSS3.

**Notes:** Headed design and development for 10 client websites in first 6 months.

### **Graphic and Web Designer, Freelance - Houston, TX**

Responsibilities are to create and maintain high quality print designs, including business cards, fliers and logos in addition to development of websites for a wide range of clients.

**Notes:** Grayscale Crafts and Andy's Home Cafe among notable clients.

### **Graphic Designer, Kizra Entertainment Group - Houston, TX (Current/Upon Need)**

Responsibilities utilized my artistic ability to create and design via various software for company business cards, fliers and event promotions with full creative control.

### **Outside Attractions Supervisor, Zuma Fun Centers - Houston, TX (2011 - 2013)**

Responsibilities: Supervised outdoor attraction employees and mechanically maintained outdoor attractions, inclusive of crowd control maintenance and managerial duties.

### **Intern Graphic Designer, theFUSEagency - Houston TX (2012)**

**All references and other job experiences available upon request.**
